

Heavenly Father, we thank you for this opportunity to participate in the Kairos Prison Ministry. Lord, please bless our efforts and bless each cookie that we bake. Bless each person that eats these cookies and bless their families as well. Lord, we thank you in advance for all that you will do through this cookie baking project. We will be sure to give you the praise for all that you will do through and for us. We ask all of this in the holy and precious name of your son, Jesus Christ, Amen!
